

Material Safety Data Sheet (MSDS)

Revision

Date MSDS revised: 26 January, 2004

Issue No.: 1.01

1. Identification of the Substance / Preparation and Company of Origin

Substance or preparation trade name: Red Sea Salt

Reference No. / Product Code:	R11020	2 kg Bag	R11030	25 gal
	R11040	4 kg Bag	R11050	50 gal
	R11060	10 kg Bag	R11074	150 gal
	R11064	20 kg Box	R11078	200 gal
	R11070	25 kg Bucket	R11080	300 gal
	R11090	40 kg Box		
	R11103	Part A	R11104	Part B
	R11096, R11097, R11105, R11106 Big Bags			

Company / Source:

Red Sea Fish Pharm	Tel:	00+972 9 9567107
Free Trade Zone Industrial Area		
Eilat	Fax:	00+972 9 9567110
88000, Israel		

Emergency telephone No.: As above

2. Composition / Information on ingredients

This preparation does not contain any substances presenting a health hazard within the meaning of the Dangerous Substances Directive 67/ 548/ EEC.

CAS No.: N/A

EC Index No.: N/A

EEC No.: N/A

3. Hazards Identification

none reported.

4. First Aid Measures

After inhalation: fresh air.

After skin contact: wash off with plenty of water. Remove contaminated clothing.

After eye contact: rinse out with plenty of water with the eyelid held wide open. Summon eye specialist.

After swallowing: make victim drink plenty of water, induce vomiting. Call in doctor.

5. Fire Fighting Measures

Suitable extinguishing media: In adaptation to materials stored in the immediate vicinity.

Special risks: Non-combustible.

Special protective equipment for fire fighting: Do not stay in dangerous zone without suitable chemical protection and self-contained breathing apparatus.

Other information: Prevent fire-fighting water from entering surface water or groundwater.

6. Accidental Release Measures

N.B. Appropriate to quantity released.

Person-related precautionary measures: Do not inhale vapours/aerosols. Avoid substance contact. Ensure supply of fresh air in enclosed rooms.

Environmental-protection measures: Do not allow to enter sewerage system.

Procedures for cleaning / absorption: Take up powder dry. Take up liquid with liquid-absorbent material (e.g. Chemizorb®). Forward for disposal. Clean up affected area.

7. Handling and Storage

Storage: Tightly closed. In a well-ventilated place. At +15°C to +25°C.

8. *Exposure Controls*

N.B. Appropriate to quantity handled.

Take measures to prevent:	Skin/eye contact
Exposure control limits, and source:	Not applicable.
Respiratory protection:	Not necessary if used in accordance with manufacturers instructions.
Hand protection:	A general, impervious glove.
Skin protection:	Not necessary if used in accordance with manufacturers instructions.
Eye protection:	Not necessary if used in accordance with manufacturers instructions

9. *Physical and Chemical Properties*

Appearance:	White Powder	Flash point (°C):	Not determined
Odour:	Odorless	Flammability:	Liquid is non-combustible
pH:	NA	Oxidising Properties:	Not determined
Density:	Not determined	Solubility (water):	Soluble
Melting Point:	Not determined		

10. *Stability and Reactivity*

N.B. Appropriate to quantity handled.

Conditions to avoid:	No information available.
Materials to avoid:	No information available.
Hazardous decomposition products:	No information available

11. Toxicological Information

Hazardous properties cannot be excluded but are unlikely when the product is handled appropriately

The product should be handled with the care usual when dealing with chemicals.

12. Ecological Information

Possible effects: None Reported

13. Disposal Considerations

Likely residues / waste product (if any): No hazardous residues.

Safe handling of any residues/waste product: Land filled or burned in accordance with local regulations

14. Transportation Information

Special carriage precautions: None.

Classification Data: Product classified as hazardous under CHIP 3 (Chemicals Hazard Information and Packaging)

15. Regulatory Information

Supply label information: Product classified under current CHIP 3 regulations.

Risk and Safety Phrases: -----

16. ***Other Information***

Training Advice: Read accompanying information and use only in accordance with manufacturers instructions.

Recommended uses and restrictions: for marine aquariums.

Notes:

This information only concerns the above-mentioned product and does not need to be valid if used with other product(s) or in any process outside of that specifically referred to in the manufacturers instructions. It does not represent a guarantee of the properties of the product. The information given is to the best of our present knowledge, correct and complete and is given in good faith but without warranty.

For United Kingdom users only

The data contained in this Material Safety Data Sheet has been supplied as required by the Chemicals (Hazard Identification and Packaging) Regulations 2002, as amended, for the purpose of protecting the health and safety of industrial and commercial users, who are deemed capable of understanding and acting on the information provided.

Please ensure that it is passed to the appropriate person(s) in your organisation, who are capable of acting on the information.

This data sheet does not constitute a user's assessment of workplace risk as required by HSW act, COSHH, Management of Health and Safety at Work regulations, or other health and safety legislation.
